SharePoint Saturday Florence 2015

Sponsor Profile

In Florence (Italy), on June 20th 2015, there will be the first SharePoint Saturday Florence 2015! As a valued IT company, you have the opportunity to be one of the few and privileged partners that will sponsor such a great event!

The SharePoint Saturday event is a non - profit community event that is free to all registered participants. The help of partners is fundamental in order to success the event.

The event will be in English language and there will be two tracks made of at least five breakout sessions each, with a total number of at least ten technical sessions plus an optional keynote and an optional final closing session. The target are people interested in Microsoft SharePoint and Microsoft Office 365, and coming mainly from Italy, but also from neighboring countries. The contents will be provided by a great team of internationally well-known and experienced speakers (MCMs and MVPs). The target of the event are between 100 and 150 attendees.

You have the opportunity to sponsor the event accordingly to the following set of pre-defined sponsorship levels.
